INSTRUCTIONS

Spray on and wipe down surfaces after cleaning to remove odours caused by urine, faeces, pets, smoke, formaldehyde, mould and mildew, or cooking. Odour Eliminator is suitable for use in air handling systems, restrooms, vehicles, storage lockers, smoking areas and refuse areas. **Air Conditioners:** Spray into the air handler or into intake vents while fan is running. **Mildew/Musty Odours:** Add 125ml of Odour Eliminator to 4 litres of water. Use to wipe off excess mildew, then spray all areas and allow to dry.

Full safety information on following pages.

For professional use only.

Keep out of reach of children.

DANGER

EUH208 Contains poly(hexamethylenebiguanide) hydrochloride. May produce an allergic reaction. **H315** Causes skin irritation. **H318** Causes serious eye damage. **H412** Harmful to aquatic life with long lasting effects. **P264** Wash thoroughly after handling. **P273** Avoid release to the environment. **P280** Wear. **P305+351+338** If in eyes, rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. **P310** Immediately call a poison centre or doctor. **P332+313** If skin irritation occurs, get medical help. Store in a cool, dry place.
