

## Rectangular roof passages type DAD-R

Galvanized steel roof passages (Zinc-coated Sendzimir)  
Pass through = duct + 70 mm  
H=200 mm

### Accessories

Roof passage type **DAD-R** must be used in combination with a weather collar type **SOD-R**. A rectangular duct type **SDR** is needed to pass through the roof.

### Order example

#### ■ DAD-R, 400 x 250 mm AxB

Explanation:

**DAD-R** = Roof passage

**400** = Dimension A

**250** = Dimension B
