

## Sliding nuts type SLN-GT

Sliding nuts

### Brand

- SUFIX

### Application

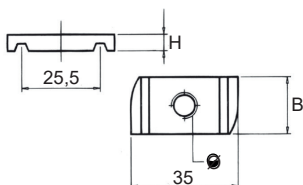

- Sliding nut for the mounting of threads type **THA** on rails type MR-GT
- In order to avoid all risks of loosening, we recommend using a ring type **WAS-MR40** and a bolt type **HNU**

### Material

- Galvanized steel

### Models

- Available in M8 and M10

	Dimensions	
	Ø	B x H [mm]
SLN-GT M8	M8	20 x 6
SLN-GT M10	M10	20 x 8
