

Inverter outdoor unit type AOYG KLCA

Brand

- Fujitsu

Product

- Inverter outdoor unit for compact wall mounted unit

Function

- Air-Air Heatpump, inverter type

Refrigerant

- R32

Applicable indoor units

- Type **ASYG 18/24 KLCA**

Features

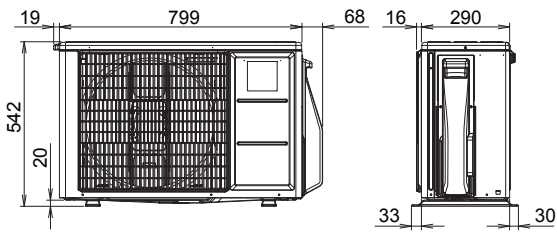

- Robust and compact
- Class **A++** energy saving
- I-PAM controlling of compressor
- Rotary DC-compressor
- DC fan motor
- Protected valves
- 3-Bladed rotary fan
- Input power: 230V/1/50Hz
- Permissible range of outdoor temperature in heating: **-15~24°C**

Accessories

- Inox wall suport. Type **WBI**
- Metal wall support. Type **WBA**
- Drain pan for wall support. Type **CTS**
- Montung blocks. Type **MPRH 600**
- PVC mounting blocks. Type **MPS 450**
- Massive anti-vibration mounting blocks. Type **MPK 500**
- Insulated copper pipes on roll. Type **P-COIL**
