

Leak detector A1 (R410A), A2, A2L (R32), A3 (R290) type LS2

Leak detector with E_MOS® technology

Application

- Detection of refrigerant leaks (HCF, HCFC, CFC and others)

Specifications

- E_MOS® sensor technology
- 0,28g/year sensitivity
- Battery life: 50 hours
- Sensor life: 500 hours

Accessoires

- Replacement filters sensor, type **LS2XF**
