

## Aluminium back cover for SPCA type SPCA-BC

High quality aluminium back panel for the SPCA Split Cover. The rear of the SPCA casing is completely open. If you opt for a free-standing mounting, you can use the optional rear panel to also make the rear of the outdoor unit hidden from view.

### Specifications

- The back panel can be easily screwed to the rear of the casing
- Available in different sizes

### materiaal

- Powder-coated aluminium

### Color

- Black (RAL 9004) and white (RAL 9003)
- Available on request: anthracite (RAL 7037)
