- On-off contact

Differential pressure switches type DTV

Differential pressure switch with changeover contact, delivered with connectionset

Application

- Filter guard
- Monitoring of fan

Specifications

- Setpoint for changeover contact: 20 to 300 Pa (**DTV 300**)
- Setpoint for changeover contact: 50 to 500 Pa (**DTV 500**)
- Changeover contact 250 V AC - 1,5A (0,4A)
- IP 54

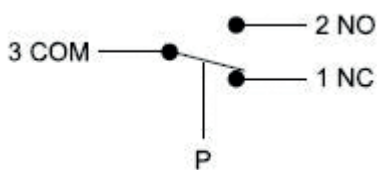

Mounting

- Wall / duct

Technical data

- Temperature medium : -20 to 85°C
- Connection nipples for measuring hose : 6 mm

Electrical diagram

- 1 = Supply cable
- 2 = NC contact
- 3 = NO contact
