

A grey, rack-mountable AC unit with a front panel. The top of the unit features a red terminal block with two sections labeled 'ON' and a green terminal block with three terminals. The front panel has the 'Intesis' logo in blue, a terminal block diagram with labels 'B', 'A', 'SG', and 'EIA 485', and the text 'AC Unit' in the bottom right. The bottom of the unit shows a red terminal block with terminals numbered 1 through 8 and a green terminal block with terminals numbered 9 through 12.

**Intesis™**
